GLASS ORNAMENT WITH ANGLES AND CROSSES

H: 8 CM

THE GLASS EGG IS MADE EXCLUSIVELY FOR THE DAVID COLLECTION.

The glass egg was copied from a pendant ornament from the museum's Islamic collection. The original comes from Kütahya, a Turkish city where many of its potters had an Armenian background. The original is dated to the 18th-19th century.

The glass ornament is packed in a black box with a short description of the original egg. Parallel text in Danish and English.

Produced by Brink Nordic 2017.
